

# ACTIVITIES OF JCVP

---

## Annual report of JCVP activities in 2020/2021

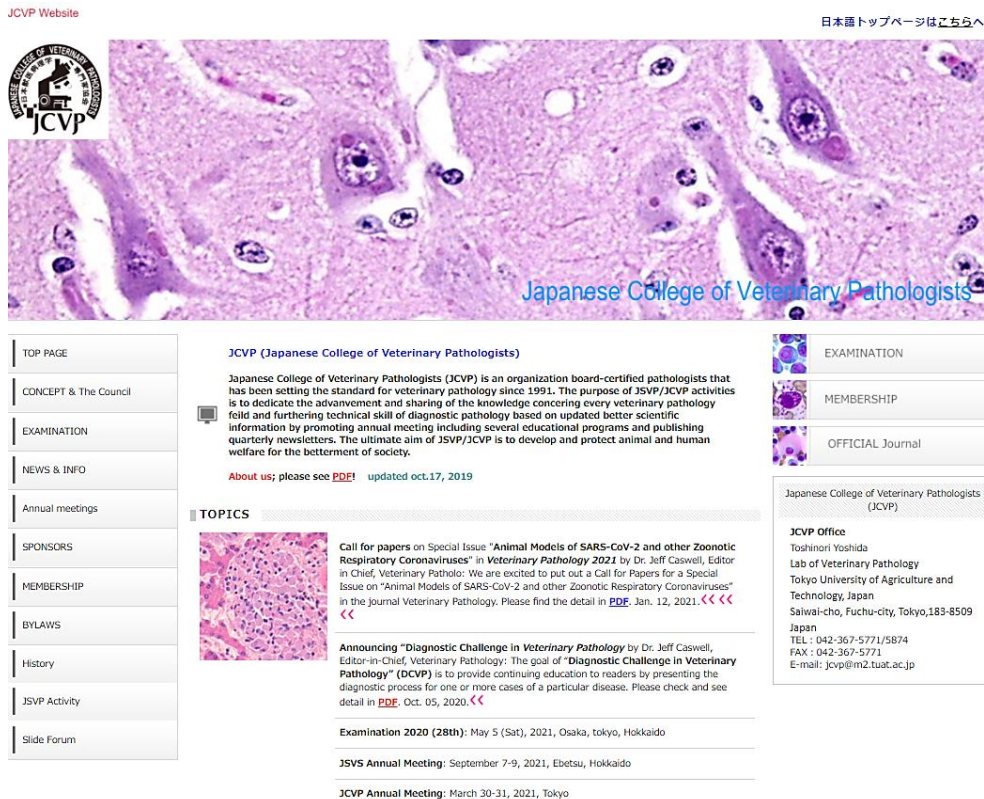

Japanese College of Veterinary Pathologists (JCVP), Since 1991

---

Visit our Website: <https://jsvp.jp/index.html>

Sorry, most of the content is written by Japanese!

The screenshot shows the JCVP website homepage. At the top left is the JCVP logo. Below it is a large histological image of tissue stained with hematoxylin and eosin (H&E). The text 'Japanese College of Veterinary Pathologists' is overlaid on the bottom right of this image. To the right of the image is a navigation menu with buttons for 'EXAMINATION', 'MEMBERSHIP', and 'OFFICIAL Journal'. Below the menu is a 'TOPICS' section with three articles. The first article is titled 'Call for papers on Special Issue "Animal Models of SARS-CoV-2 and other Zoonotic Respiratory Coronaviruses" in Veterinary Pathology 2021'. The second article is 'Announcing "Diagnostic Challenge in Veterinary Pathology" by Dr. Jeff Caswell'. The third article is 'Examination 2020 (28th): May 5 (Sat), 2021, Osaka, Tokyo, Hokkaido'. On the left side of the page is a vertical navigation menu with links for 'TOP PAGE', 'CONCEPT & The Council', 'EXAMINATION', 'NEWS & INFO', 'Annual meetings', 'SPONSORS', 'MEMBERSHIP', 'BYLAWS', 'History', 'JSVP Activity', and 'Slide Forum'.

**History:** Japanese College of Veterinary Pathologists (JCVP) is an organization board-certified pathologists that has been setting the standard for veterinary pathology since 1991.

**Members:** The number of actual members (2021. 8.31): 410 including 32 life-time members and 14 honorary members (Nationality of members: Japan, China, Taiwan, Korea, Malaysia).

**President:** Kazuyuki Uchida (The University of Tokyo)

**Vice presidents:**

Mitsuru Kuwamura (Osaka Prefecture University)

Masami Suzuki (Central Institute for Experimental Animals)

**JCVP annual meeting:** Once a year (March) since 2014.

Two-day-meeting including mystery slide session (whole-day-session), educational seminar symposium and poster presentation.

**Awards: JCVP Incentive Award** for articles published in Veterinary Pathology or other journals relating to pathology researches.

**The Japanese Society of Veterinary Pathology (JSVP)** is one of the sections belonging to **Japanese Society of Veterinary Sciences (JSVS)**, and is composed of veterinary pathologists, veterinarians and students who are interested in veterinary pathology. The committee members of JSVP are the same as those of JCVP.

**JCVP Certifying Examination:** Once a year.

## **Eligibility of Candidates:**

- ✓ The candidates have to engage in the work on veterinary or toxicologic pathology at the institutes certified by JCVP for at least 3 years after graduation.
- ✓ The candidates have to be a member of JSVS.
- ✓ The candidate must publish at least one scientific article on veterinary pathology or toxicologic pathology, and participate in the scientific meetings/seminars of pathology certified by JCVP at least 3 times before apply.
