Renewal of membership

To keep the JCVP certificate, the members have to renew the membership every five years by showing the accumulation of the credits, which will be evaluated by the board members.

The members have to attend the JCVP annual meeting and the other educational meeting in order to obtain the credits.

Current issues

1. Dissemination and awareness rising of the concept of forensic veterinary pathology in Japan.
2. Globalization to expand our activities collaborating with ACVP, ESVP and ASVP (Asian Society of Veterinary Pathology). Contribution to the annual meeting of ASVP which is held every two years in southeast Asian countries.
3. Rising recognition of the activities of JCVP.
